JOB TIPS

With AtoZ, We Not Only Help You Find a Job,
We Help You Get a Job.

STEP 1: Do your homework

- Write your resume
 - List your strengths
 - List past job, internship, and volunteer experience in chronological order
 - See AtoZ resume templates on our website
- Define the type of company you are looking to work for
 - Small, medium, or large company
 - Public or private company
 - Job requirements, drive time, flex hours, etc.

STEP 2: Apply for the job

- Know how you are going to get it
 - Use AtoZ to research the company - history, CEO, number of employees and sales growth
 - Send your resume directly to HR or directly to executives (use email addresses from AtoZ)
 - Connect with hiring managers via email

STEP 3: Ace the interview

- Prepare for the interview
 - Practice your presentation
 - Prepare at least 3 questions that you want to ask
- Learn from your interview experience
 - Review your performance
 - Analyze your interview to be better prepared for the next one
- Follow-up after the interview
 - Send a thank you note
 - Contact your interviewer after a few days by email or phone call
 - Send your references

HOW TO DO A JOB SEARCH

Search by Job Title, Keyword, or Business Name

Enter one or all of the criteria:

1. Enter the job title, keyword, or business you are looking for
2. Enter a geography (city, state, or ZIP code)
Leave geography blank to search nationwide
3. Select a job type: full-time, part-time, contract, temporary, or internship jobs

Search by Popular Categories

Enter one or all of the criteria:

1. Choose from 27 category selections
2. Enter a geography
Leave geography blank to search nationwide
3. Select a job type

Advanced Search Options

Enter one or all of the criteria:

- Title/keyword search
- Business name
- Job types
- Job source
- Salary estimate
- Limit mile radius around your city, state, or ZIP code
- Recency of job postings
