

HISTORY OF MOORESVILLE

1824 - 1974

Believing that the usefulness of HISTORY OF MOORESVILLE would be enhanced by the addition of an alphabetic list of all the people named in the book, such list has been prepared.

Mr. Carl Marr, President of EDP Corporation of Indiana has supplied the following computer produced cross-reference listing of names and page numbers to facilitate use of the book. This list will be included with every book sold.
