*BOOKS* ARE HUMANITY

"A library is not a luxury but one of the necessities of life" Henry Ward Beecher

**B**ooks are the carriers of civilization. Without books, history is silent, literature is dumb, science is crippled, thought and speculation at a standstill. They are engines of change, windows on the world, (as a poet said) lighthouses erected in the sea of time. They are companions, teachers, magicians, bankers of the treasures of the mind.

~ Barbara W. Tuchman
