What you need:

- Tortilla or wrap, any flavor (plain, spinach, tomato)
- 1 Tbsp spread (basil pesto, red pepper spread, hummus, ricotta cheese, bbq sauce)
- 2 slices cheese (provolone, mozzarella, pepper jack, even cheddar)
- 1-2 Toppings (pepperoni, black olives, sausage crumbles, mushroom pieces)
- Optional: Fresh spinach
- 2-4 Tbsp pizza sauce
- Extra veggies on the side (green pepper, carrot, celery)

Directions:

1. Spread pesto or other spread on the bottom 2/3rds of your tortilla
2. Lay cheese and toppings over the spread, on the bottom half of the tortilla
3. Sprinkle a handful of spinach over the top
4. Roll the tortilla as tightly as possible, starting from the bottom
5. Using a plastic lettuce knife or **the help of a grownup**, slice the roll into 1-inch pieces. (It's okay if your ends come unrolled)
6. Serve your roll-ups with pizza sauce and veggies on the side for dipping. Yum!
