BASKETBALL

Mooresville's new coach, Vincent Bisrat, found three lettermen and quite a number of inexperienced, but eager candidates, awaiting him last October. Due chiefly to sickness, the early going was tough, but each game showied improvement. After we ran up a onesided score over Edinburg and defeated the Giants of Ben Davis, the scouts from future opponents became noticeable. Another highlight of the season was our two-point victory over Monrovia on their home floor after the Bulldogs had defeated us by one point on our floor earlier in the basketball year.

The sectional draw gave us a new opponent, Smithville, the only team in our sectional which Mooresville has never defeated. Score: Mooresville 36; Smithville 37.

★

TRACK

The track team of 1944-45 participated in several conference meets and carried away numerous honors.

Letter winners were: Jack Abbott, Charles Dobbs, James Monical, Dean Abbott, Charles Madg and Bob Phillips.

BASKETBALL

Mooresville's new coach, Vincent Bissex, found three lettermen and quite a number of inexperienced, but eager candidates, awaiting him last October. Due chiefly to sickness, the early going was tough, but each game showed improvement. After we ran up a one-sided score over Edinburg and defeated the Giants of Ben Davis, the scouts from future opponents became noticeable. Another highlight of the season was our two-point victory over Monrovia on their home floor after the Bulldogs had defeated us by one point on our floor earlier in the basketball year.

The sectional draw gave us a new opponent, Smithville, the only team in our sectional which Mooresville has never defeated. Score: Mooresville 36; Smithville 37.

* TRACK

The track team of 1944-45 participated in several conference meets and carried away numerous honors.

Letter winners were: Jack Abbott, Charles Dobbins, James Monical, Dean Abbott, Charles Madge and Bob Phillips.

The Mooresville School Band has been successfully directed by Miss Merry Ruth Moore for the past four years. During this period, through the combined efforts of the band members and the townspeople, the purchase of new blue and gold uniforms was made possible. Each band member has the privilege of earning a citation cord for his uniform. Points earned toward these are based on deportment and public appearances.

Throughout these years the band has made numerous public appearances. It has participated annually in the Central-Southern Indiana Band and Orchestra Contest and acted as host to this group in April, 1944. Up to the present time Mooresville High School has won three plaques—two seconds and one first.

Local basketball fans have enjoyed the music and marching maneuvers of the band at home games each season.

CLASS HISTORY
CLASS HISTORY

OUR HIGH SCHOOL CAREER began in September of 1942. We spent the first few weeks getting acquainted—with each other, with our teachers, and with our new surroundings. During this period the seniors held the customary initiation, and we freshmen were properly impressed by the solemn words of those seemingly dignified and influential people regarding the methods of becoming at last after three hard years of study, a SENIOR! The class officers we elected to guide us through that first difficult and trying year were: Eddie Olleman, president; Richard Thompson, vice-president; Jack Biggs, secretary; Martha Lou Goss, treasurer; Marjorie Carlisle, historian, and Wanda Snyder, student council member. Our sponsor was Miss Eloise Blanford. The scholastic, athletic, and musical events in which we took part kept us so busy that our freshman year passed almost before we knew it.

★

AT THE BEGINNING of our sophomore year we could sympathize with the “green” and inexperienced freshmen, for we had successfully passed that stage. In our second year we were ready to settle down more seriously to the task of making a mark for ourselves in the records of M.H.S. Our class officers were Jack Killian, president; Clifton Short, vice-president; Mary Rose Walker, secretary; Frances Warriner, treasurer; Marjorie Carlisle, historian, and Patty Ward, student council member. Miss Eloise Christian was our sponsor. The most exciting part of that year was the basketball tournament. The Mooresville Pioneers won both the Sectional and Regional toursneys for the first time in our school’s history. We lost to Bosse of Evansville in the semi-finals, and Bosse then went on to win the state championship. The sophomores were well represented by Dick Burton and Bill Settle, who were on the team, and Bob Sellars, who was a student manager.

★

OUR JUNIOR YEAR found us busily making plans for popcorn and coke sales. This was our “money-making” year. In October we gave our class play, “Tish,” and thus passed another milestone in our high school career. As upperclassmen we felt that we must set an example for the lower classes. We did this in part by winning the class basketball tourney. Our musical ability came to the foreground in the operetta, “H. M. S. Pinafore.” Three juniors, Martha Lou Goss, Delvin Myrick and Bob Sellars, had leading roles. Our prom, given in honor of the seniors, was held in the gymnasium. We used a ship for our theme, and the decorations carried out this motif.

CLASS OFFICERS for our junior year were: Jack Abbott, president; Lula Mae Dake, vice-president; Bob Sellars, secretary-treasurer; Frances Warriner, historian, and Bruce Marley, student council member. Mr. Lewis Truax and Miss Eloise Christian were our very capable sponsors.

★

AT LAST THE LONG awaited year arrived—we were seniors! Initiating the freshmen, going to school parties, having our pictures taken, cheering the team at the basketball games and dancing afterwards, working on the annual, giving our senior class play, attending the prom, baccalaureate, and commencement—all of these things formed a very important part of that year. Our class officers were: James Monical, president; Bruce Marley, vice-president; Marian Briggs, secretary-treasurer; Marjorie Carlisle, historian; Jean Schulte and Delvin Myrick, student council members. Mr. H. F. Schulte and Mrs. Jean Eggleston were our sponsors. Their advice and guidance were very helpful.

★

THE BENEFITS we have received from our four years in high school will never be forgotten. We hope that the standards we have set up will be met and even surpassed by the classes who are to come.
