Senior Class
of
MOORESVILLE HIGH SCHOOL
presents
Wagon Trails
of 1950

We invite you to view our High School Year with us.
Looking through the keyholes we see . . . .
Oh. Mooresville High, we love your name; to your colors we'll be true.

We'll always try to keep the fame of Dear Old Gold and Blue.
The students on the playground ----- the pathways that we knew, the archway which we enter to grow in wisdom, too.
Oh. Mooresville High, we love your name; to your colors we'll be true.

We'll always strive to keep alive our trust and love for you.

Fred R. Glidden, Secretary

Student Council . . .

Standing: Harold Weddle, Allen Kinnett, Dugger Sheets, Merle Goldman, Boyd Head
Sitting: Gloria Perry, Sandra Armstrong, Anita Sloan, Tim Johnson, Patsy Spangle, Marcia Emerson
OUR PRINCIPAL

Mr. Truax, who for many years has been associated with Mooresville High School in the capacity of teacher, this year became our principal. He not only carries out this added responsibility successfully and intelligently, but he also teaches physics, electricity, and industrial arts.

Mr. Truax's fun-loving disposition makes every assignment entertainment and every duty a pleasure. We appreciate his spiritual, moral, and intellectual guidance.

OUR SUPERINTENDENT

Merely to say that we are fortunate in having such a man as Mr. Laughlin as our superintendent is certainly an understatement. For, in the person of Mr. Laughlin, we have all the qualities that could possibly be asked for in a superintendent or a friend.

We feel that having such a leader of our school will surely have a fine effect on the character and future success of all the students.

OFFICE GIRL

Mrs. Fields is our very capable and efficient office girl and secretary. She very generously helps us with our problems and cheers our days with her friendly manner.
Faculty

Grade Principal

Mr. Warriner

Grade School Faculty

Front Row: Cecile Johnson, Dorothy Ragsdale, Mary McKamey, Martha Copeland.
THE COOKS

The old familiar adage, "The shortest way to a student's heart is through his stomach", has been adapted by Mrs. Myrick and Mrs. Harshman who have endeared themselves to us all by their culinary art.

THE FEEDERS

These students are invaluable help during the noon hour in serving the hungry hordes. They are left to right: Alice Pearcy, Joan Keller, Hollis Miller, Loretta Stevens, John Cook, Evelyn Kellum, Carl Keller, Nancy Van Hoy and Carolyn Rice.

THE NURSE

Mrs. Aldrich, a friend to all students of M.H.S. in time of aches and pains, capably administers healing potion.

JANITORS

The patient endurance of the DeHoney brothers, Jim and Denzel enables them to perform the janitorial duties without complaints.

As wide-eyed, green "froshies" we, the Senior Class of 1950, entered the portals of M. H. S. early in the fall of 1946, seventy-eight strong. According to time honored custom we were duly initiated. We wore our clothes wrong side out, learned a speech crammed full of hard words, and in various other ways showed our respect for the seniors. As a reciprocal of our initiation party we gave a barn dance for the school. Our class officers were: President, Mary Jane Fields; Vice-president, Duane Blasche; Sec.-Treasurer, Joan Keller; Class Historian, Marjorie Rose; and Student Council members Rosalee Johnson and James Ringer. Capably advising us were faculty members Miss Betty Nay and Mrs. Helen Harvey.

On September 13, 1947, we, as Sophomores, elected the following people to lead us: Carl Keller, President; Donald Perry, Vice-president; Doris Gibbs, Secretary-Treasurer; Evelyn Kellum, Historian; and Joan Keller and Lowell Swinney, Student Council representatives. Our faculty advisors that year were Miss Mary McCleary and Mr. John Van Liew. During this year we sponsored a "Jive Town Party" for the high school.

As Juniors we presented our class play "We Shook the Family Tree" by Hildegarde Dolson. We earned money by selling refreshments during noon hours and at football and basketball games. Leading our class were: David Quillen, President; Norman Johnson, Vice-president; Marcia Emerson, Sec.-Treasurer; Barbara Stembel, Historian; Jeanne Marine and Lowell Swinney, Student Council members; and Miss LaVerne Ostermyer and Mr. Wallace Potter, Sponsors. At the end of the year we entertained the Senior Class with a banquet and prom. We decorated the banquet in maroon and gray, the colors of the Senior Class. The motif of the prom, "Friday the Thirteenth," was carried out by using horseshoes to represent good luck.

The most eventful year of our school career was, of course, our last. That year weighty problems rested upon our shoulders. It was our duty not only to live up to our glorified position as seniors, but also to initiate the freshmen, to sponsor dances after games as a money making undertaking, to present a class play, and, above all, to make plans for graduation. At the beginning of the year we elected the following people to lead us; Jack Mackenzie, President; Lowell Swinney, Vice-president; Marjorie Rose, Treasurer; Wilma Bean, Secretary; Barbara Stembel, Historian; and Marcia Emerson and Norman Johnson, Student Council members. Our class sponsors were Miss Helen Guse and Miss Betty Nay. During the year we chose our class colors, blue and white; our flower, the yellow rose; and our motto, "We have crossed the bay and are now headed out to sea."

Years have passed . . .

CLASS OFFICERS
Seated (L to R): Donald Swinney, President; Kay Bennett, Historian; Merle Goodman, Student Council; Sandra Armstrong, Student Council; Jack Wise, Vice-president. Standing: Bob Dobbins, Secretary.
Deceased: Barney Perry, Treas.

CLASS OFFICERS
Seated: Gloria Perry, Student Council. Standing: Harold Weddle, Student Council; Jim Hadley, Vice-president; Marvin Swinney, President; Don Wright Secretary.
The Classes
Languages . . .

Three years of English is required for graduation. An additional year of English and two years of Latin may be elected by those who desire further work in this field. Students pursuing these courses are pictured below.
One year of mathematics, either algebra or general mathematics, is required for graduation. Plane and solid geometry and advanced algebra are electives and may be taken after the freshman year. This year several students, Mary Anne Lugar, Irene McClure, and Audrey Modlin, who are pictured below, entered the State contests in algebra and geometry and represented our school very well.
Science . . .

One year of science, biology, is required; it is usually taken during the freshman year. Chemistry and physics may be taken later in the high school career. The classes in session are pictured below as well as the physics class on tour at the Mooresville Public Service Company.
Included in the commercial course are one and one-half years of typing, two years of shorthand, general business, and bookkeeping. This year Loretta Stevens and Marjorie Rose entered the first annual commercial contest at the Indiana Central College. Each girl placed third in her division. They are shown below receiving their awards. Also shown are pictures of the classes at work.
Social Studies . . . .

Two compulsory courses, United States history and civics, and an elective, world history, are offered to students. Shown below are two classes of civics, seniors who study one semester of government and one semester of sociology; a world history class; and two United States history classes. Also shown are the students who won recognition in the Bill of Rights essay contest sponsored by the American Legion Auxiliary.
Vocational agriculture is offered to all four grades in high school to train the boys to be future farmers. Much practical experience is gained through field trips to nearby farms where they observe plant and animal life. Commendable work has been achieved by the various judging teams this year.
Three courses are offered to girls of M.H.S. to train them for their future roles of housewives and mothers. The first year, consisting of sewing, color harmony, and foods, is compulsory, as is the study of hygiene in the first semester of the second year. In the second semester of the second year and during the third year, foods, housing, and advanced clothing may be studied. Two classes of elementary home economics and one of each of the others are shown below.
Offered to boys of M.H.S. are wood-working, mechanical drawing, and physics course, consisting of electricity and auto-mechanics. These courses are all elective. Pictures of the boys at work are shown below.
Physical Education . . . .

One year of physical education is required of every freshman. In the sophomore year the course is supplemented with a course in health for boys and either health or home nursing for the girls.
