Loretta, who has charge of the bookstore and is the efficient secretary to the school board, always extends a friendly smile and greeting to everyone who enters the superintendent's office.

In addition to teaching government and sociology, Mr. Laughlin successfully carries out his duties as school superintendent. In this position he has devoted long hours of work and unceasing effort toward promoting the best interests of Mooresville High School.

Besides teaching physics and junior high school mathematics, Mr. Truax is our very capable principal. His fun-loving disposition, both in and out of school, makes him a favorite with all.

For the past several years the American Legion has awarded sportsmanship trophies to a deserving boy who best displays the following characteristics in sports for which the trophies stand:

- 1. General attitude both in and out of the game
- 2. Cooperation
- 3. Courtesy toward fellow players and officials
- 4. Dependability-punctuality
- 5. Adaptability to lead or to follow

Dugger Sheets was the winner of the sportsmanship trophy for the 1950 football season.

We appreciate the interest shown by the American Legion in making these awards possible.

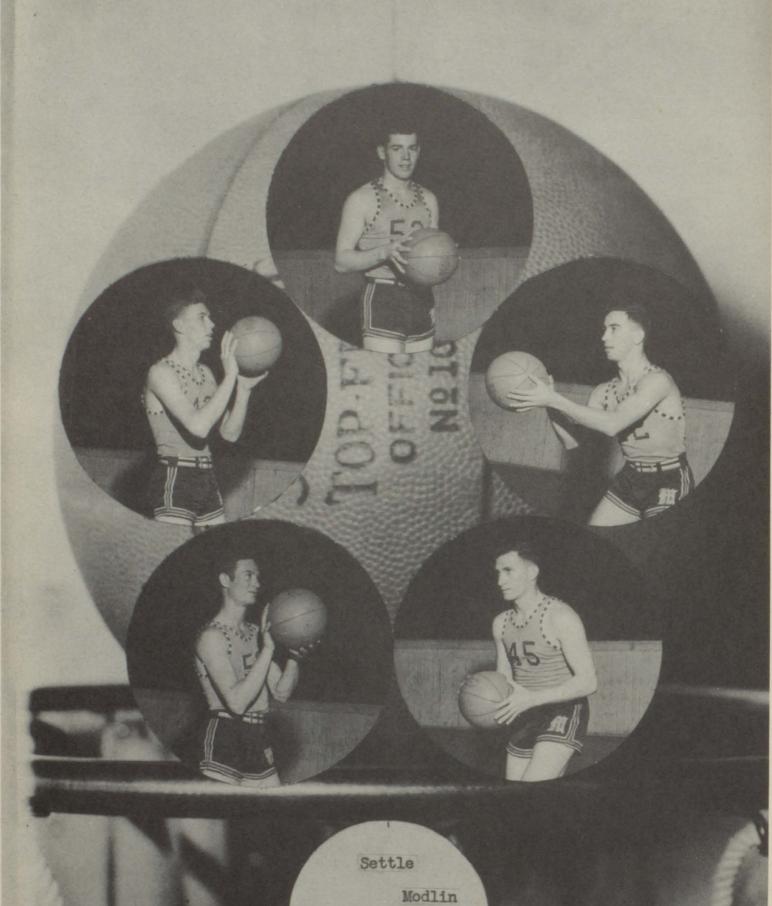

MR. VAN LIEW

The 1950-51 season marked the fourth year for Coach John Van Liew. Besides being athletic director he coaches football and track. His impressive record speaks for itself. In football, his teams have never had a losing season. Coach Van Liew has contributed much time and effort in bringing football to the high place it now holds in the athletic schedule.

FOOTBALL MANAGER

The football manager for the 1950 season was Jim Allman. His job was to see that equipment was put away after games and to take care of the players' individual needs. His dependability proved to be a great help to the coaches.
