Boston Public Library 

Description

A leading American historian has called the Public Library of the City of Boston "one of the five great libraries of the world."

Well over 3.5 million people visit the Boston Public Library every year to use its collection of 8.9 million books. Another 7 million people connect with the BPL through its website www.bpl.org to take advantage of its many services and its growing collection of electronic resources, downloadable media and digitalized rare books and manuscripts.

Allen County Public Library 

Description

The Allen County Public Library has been part of the social and cultural fabric of Fort Wayne, Indiana and surrounding communities since 1895.

Our YouTube channel is an integral part of our social media strategy. A place where we can highlight many of the people and programs that make up the fabric of the ACPL community.
